

THIS IS THE MIDSTAGE SCREEN ONLINESET 6. IT WILL FRONT - PROTECTED ON. WE MIGHT WANT TO BE ABLE TO BACKLIGHT IT FOR SHADOW EFFECTS. IF THERE ARE VERTICAL SEAMS OR STILES VISIBLE IN SILOHETTE WHEN IT IS BACKLIT, THAT IS OKAY.

I STARTED THIS AS BEING ONLINESET 4. I WANTED A LITTLE SPACE BETWEEN THIS AND THE PULLMAN TRAIN CAR PROP. HOWEVER, IT ENDS UP BEING MAYBE 6 INCHES TOO CLOSE TO THE PROJECTOR POSITION. IF MOVING IT TO LINESET 4 IS HELPFUL WE CAN DISCUSS THIS.

THIS SERVES AS A RAILING FOR THE ORCHESTRA AND ALSO AS AN OPTION FOR ACOUSTIC CONTROL. SOFT GOODS, BLANKETS, ETC. CAN BE PILED BEHIND THIS IF THAT IS HELPFUL.
