Cut Ruby	Sunspark	Cosmic Blue
1009-4	3010-2	4008-10C

Valspar colors

Also stock black and white

The bolts are simple circles of the base color that have a highlight and a shadow applied softly with white and black.

The Pullman letters havea back outline. I recommend projecting the Pullman letters onto red-based luan or pressboard. This will let us prep the lettering and apply to the train pieces after they are assmbled. on the lineset.
