

THESE ESCAPE STEPS UP TO THE GRID ARE TOTALLY OUT OF SIGHT LINES. THEY CAN HAVE ALL OF THE RAILINGS WE WISH TO ADD.

SHIPS LADDER STEPS, +9
6-INCH RISE EACH
6-INCH TREAD
USE THESE FOR THE BOTTOM STEPS IF NEEDED TO AVOID BLOCKING THE COSTUME SHOP.

FROM THIS LINE ONWARD TO SL, THERE IS A WALL OF STACKED BOXES AND STORED ITEMS THAT CREATE AN ILLUSION OF AN IMPENETRABLE WALL OF CLUTTER.
IT CAN BE GOTTEN AROUND AT THE UPSTAGE END. WE WILL STACK CARDBOARD BOXES, BOTTLES, TRASH CANS, ETC. TO CREATE THIS WALL.
